A. PREAMBLE (PRELIMINARY REMARKS)

A. PREAMBLE (PRELIMINARY REMARKS)

1. The core principles of this Electoral Code were approved by the FIFA Congress in Zurich on 30 and 31 May 2007.
2. The FIFA Standard Electoral Code serves as a guide for the electoral code that every FIFA member association is required to draw up. It was approved in its current completed form by the FIFA Executive Committee at its meeting on 29 and 30 October 2007 and came into force immediately.
3. This FUFA Electoral Code shall be used for all elections at FUFA, Members of FUFA and Members of Members of FUFA.
4. Organising elections in an association necessitates a long and complex procedure that, among other components, includes:
 - a) complete understanding of the statutes and internal regulations of the Association;
 - b) the invitation for candidatures;
 - c) the examination of candidatures;
 - d) appeals;
 - e) the publication of the official list of candidates;
 - f) the organisation in technical and logistical terms of elections (organisation of the elective general assembly, list of voters, ballot papers, voting urn, count of votes, minutes etc.);
 - g) the circulation of general information about the election among the members, government bodies, representatives of the media etc.
5. It is therefore necessary for each association to perfect this procedure so as to ensure that its elections are transparent and democratic. In specific terms, this means:
 1. scrupulously adhering to the statutes and regulations of FIFA, this code and the statutory requirements and regulations of FUFA and CAF where the latter do not contradict the former;
 - (a) avoiding any conflicts of interest that could discredit the impartiality of the elections;
 - (b) anticipating the organisation of elections and planning the relevant action.

N.B. Terms referring to natural persons apply to both genders. Any term in the singular applies to the plural and vice-versa

B. GENERAL REMARKS

B. GENERAL REMARKS

Article 1 Scope of application

1. This code is applicable to FUFA Presidential elections as well as those for the executive Committee and delegates to the FUFA General Assembly,
2. This electoral code is also applicable to elections to all bodies that are subordinate to FUFA (e.g., leagues, regional associations, and affiliated members) and whose regulations and procedures are controlled exclusively by FUFA including but not limited to the elections of the executive committees (or their equivalent) and delegates to the General assemblies (or their equivalent) of the Members of FUFA and groups of clubs with a delegated authority from FUFA.

Article 2 Principles, Obligations and Rights of parties, Government interference

1. The democratic principles of separation of powers, transparency and publicizing of the electoral processes under association football in Uganda controlled and managed under FUFA must be observed without exception.
2. Government interference of any kind in the electoral process or composition of the elective body (general assembly) of FUFA is not permitted. Consequently, government rules on elections shall not apply to the elected internal bodies of FUFA and the electoral rules of FUFA shall not require the approval of any government body. Furthermore:
 - (a) FUFA shall inform FIFA of the commencement of the elections to its elected internal bodies, the announcement of the elections and its electoral rules at one month's notice. It shall likewise inform FIFA of the duration of the elections and of the mandates. FUFA is likewise obliged to immediately inform FIFA of any government interference in the electoral process.
